About Us

Established in the year 2007, **AB Sea Container Pvt. Ltd.** is one of the eminent organizations engaged in providing valuable logistics services. Our service encompasses Container Leasing, Clearing and Forwarding, Shipping, Warehousing, Transportation, Maintenance, Modular Containers, Cargo and Shipping Agents. These are known for transparent dealings, timely execution, flexibility and customer centric approach. We ensure that all our services are in tandem with the specific requirements of our coveted customers and served in best possible manner. Our expertise in catering logistic and freight forwarding services with complete reliability and flexibility has made us a renowned name amidst our competitors. We maintain complete transparency in all our services and business ethics & morals to maintain a cordial relationship with our clients. Since our inception, quality is the significant aspect of our organization. Our management philosophies such as professionalism, safety and satisfaction have helped us in achieving complete trust of our clients. We are headed by our mentors **Mr. Hans Buddhiraja and Mr. Yogesh Dixit**. Their professional approach and enormous experience in the industry has enabled us to build a commendable position in the domestic market. Our streamline services are framed in such a way that satiates the requirements of clients for logistics and freight forwarding. Business Specifics:
